

Inspiration/Evolution Service Pricing

Classic Electronics Servicing

- \$199.00 - Lid Service I - Includes replacing lid and solenoid o-rings, cleaning solenoid, replace battery box (if needed), replace Molex connectors, replace filters, replace magnets, and perform bench/pressure testing. (1-2 week turn around)
- \$349.00 - Lid Service II - Includes Lid Service I plus replacing one or both power switches as needed and replacing end caps. (2-3 week turn around)
- \$499.00 - Lid Service III - All of the above plus replace module housings, replace end caps, micro-switches, re-solder wires and replace potting compound. (2-3 week turn around)
- \$749.00 - Lid Service III (w/ loom) - All of the above plus all new Vision wiring (requires new Vision cells). (2-4 week turn around)
- \$400.00/each + Lid Service III - Replace Computer Modules: If you want to upgrade your non-backlight module or non-functioning module. (2-4 week turn around)
- \$599.00 - Unit Servicing: Includes replacing all breathing loop O-rings, servicing first stage regulators, Auto-Air, ADV, manual inflator buttons, over pressure dump valve, replace any LP or HP hoses if needed, and positive and negative pressure checks.

Vision Electronics Servicing

- \$199.00 - Lid Service - Includes replacing lid and solenoid o-rings, cleaning solenoid, replace filter, replace battery box (if needed), and perform bench/pressure testing.
- \$599.00 - Unit Servicing: Includes replacing all breathing loop O-rings, servicing first stage regulators, Auto-Air, ADV, manual inflator buttons, over pressure dump valve, replace any LP or HP hoses if needed, and positive and negative pressure checks.
- \$199.00 - New low power solenoid for Vision or classic lid.
Free installation with any lid service.

The above services do NOT include oxygen sensors. Please add \$110.00/each for the classic Inspiration or new Vision Oxygen sensors. New loom replacement will include the new oxygen connectors and will require the Vision oxygen cells.

****Please note - Cells should be replaced every 12-15 months. We will not release a lid with cells older than 18 months or with other than APD approved sensors.***
